FISHING RODEO winners pictured with some of the awards that were presented in the Second Annual Hancock County Fishing Rodeo on Sunday December 1st, are from left, standing, Charles Dickson, Russell Elliott, Peck Mauffray, Charles Russ, Frances Moran, Arnold Serpas, Tanis Moran, William Bordages, Nancy Hall, Lionel Bordages, Percy Gaudin, Nollie Shows, Wilson Holder, Herbert Peterson, LeRoy Hall, Henry Otis and A. B. Allen. Seated are Mrs. Nora Adams and daughter, Martha Griffin, Rodeo Queen Patty Cuevas, King Ed Orttie, and Mrs. A. B. Allen.

A Bay St. Louis man, Donald Maurigi, was shot last Friday night at his residence 212 Leonhard Ave.

Bay St. Louis Police Chief Lathon Garriga said Donald Maurigi, 31, was shot once in the right chest by a .22 caliber bullet about 10:45 p.m. Friday. Maurigi was taken to the Hancock General Hospital in Bay St. Louis for emergency treatment and later was transferred to Memorial Hospital in Gulfport where he expired in the emergency room at 1:20 a.m. Saturday.

His wife, Mrs. Grace Maurigi, 30, allegedly admitted firing the shot during an argument and is being held in the custody of local authorities.

According to a report from Chief Garriga the couple's old-

est daughter, age nine, ran to a neighbors house after the shooting, which was reported to the police at 11:05 p.m.

City Patrolmen Jimmy Favre and Eric Neale on arrival at the residence found Maurigi lying in a pool of blood on a screened-in front porch, said Garriga.

According to Garriga officers determined a bullet had been fired through a plywood door that leads from the porch to the living room.

When the officers arrived Mrs. Maurigi was waiting on the front porch according to police, Chief Garriga.

Chief Garriga said Hancock Sheriff Fred Curet, Deputy Sheriff George Rayburn and Coroner Emile Piazza also arrived at the scene.

He said he obtained a search warrant and officers located a .22 caliber revolver on top of a washing machine, beneath some clothes, in the residence. Eight good cartridges and one spent shell had apparently been removed from the weapon and also were laying on the washing machine, he added.

Chief Garriga said Mrs. Maurigi allegedly admitted she fired the shot which fatally wounded her husband.

According to Chief Garriga at press deadline yesterday, Mrs. Maurigi was to have a preliminary hearing at the Hancock County Courthouse at 7:00 p.m. last night.

Survivors besides his wife are three daughters: Robert, Patty and Mary Ann Maurigi; his mother, Mrs. Lois Maurigi, one brother, Victor Ross Maurigi, and two sisters, Mrs. Robert Boudin and Miss Ginger Leigh Maurigi, all of Bay St. Louis.

The funeral was held Monday morning from Riemann's Fahey Whitefield Funeral Home in Bay St. Louis followed by religious services in Our Lady of the Gulf Catholic Church. The Rev. Richards Sommers officiated.

Interment was in St. Mary's Cemetery. Pallbearers were Manuel Maurigi, Ronald Maurigi, Doc Rhodes, Speedy Rhodes, Kent Seltzer and Harold Garcia.

A bench warrant arrest for Gates, a native of Houston, Texas, was made Tuesday, his previous arrest having been made in New Orleans on September 19, 1968.

Fishing Rodeo Big Success-Many Winners

The rain came down, the wind blew cold, and the general opinion was "there'll be no fishing in this kind of weather". But, figuring there's no predicting the determination of the dedicated fisherman, Nollie Shows, LeRoy Hall, and James Randall took turns manning the trailer office for the 2nd Annual Hancock County Fishing Rodeo at the West Hancock County Port and Industrial Area, and the fishermen came!

How completely the weather was ignored was obvious as the crowd gathered at the Pearlington Community Center for award time at 1 P.M. on Sunday, December 1st. They filled the hall to over-flowing, leaving a goodly number to stand outside.

Ed Orttie, king of the 1968 Rodeo, Queen Patty Cuevas, daughter of Mr. and Mrs. Ernest Cuevas, Jr. of Lakeshore, Princecoo Francis Moran, Tanis Moran, and Nancy Hall, and 1967 queen, Martha Griffin, were all on hand to greet the lucky anglers. Representing the Hancock County Board of Supervisors were Mr. Russell Elliott, District 5, president, Mr. Charles Russ, District 1, Vice-president, and Mr. J. C. presented the Hancock County School Board, The supervisors, school board, mayors, and port commission were sponsors of the young ladies of the court.

After a brief welcome, Mr. Percy Gaudin of Pearlington, announced the winners and queen Patty Cuevas presented the prizes for the following categories: Crappie - 1st place, Lodging for two for a weekend, donated by Club Lodge, Waveland, Mr. Skipper Allen, 2nd Place - Landing net, donated by Mauffray's Hardware, Bay St. Louis, Mr. Skipper Allen, 3rd Place - Car Robe, donated by Mrs. Frank Bellows, Skipper Allen; Patch or Bream - 1st Place - Dinner for two, donated by Roadview Restaurant, Highway 90, Waveland - Skipper Allen, 2nd Place - Silver and crystal salad set, donated by Ramsey's, Bay St. Louis, Skipper Allen, 3rd Place - Boat Ladder, donated by Broath's Boats and Motors, Bay St. Louis, Skipper Allen; Green Trout - 1st Place - Fly Rod, donated by Mr. Kenneth Caron - Mr. Ellis Scoggin, 2nd Place - 304 Reel, donated by the Hancock County Fishing Rodeo Inc., Mrs. Nora Adams, 3rd Place - Grease job and oil change, donated by Lamar-Lane Chevrolet, Bay St. Louis, Skipper Al-

Rev. Hannolly **Addresses** **St. Clare's Parish**

Rev. Patrick J. Hannolly, pastor of St. Clare's Catholic Church, Waveland, spoke on the Mother of God and the spiritual work of the Sodality of St. Clare's Parish when the group met November 26 in the Parish Hall.

Mrs. Charles Richard, prefect, conducted the business session. Minutes of the previous meeting were presented by Mrs. A. N. Crase, recording secretary, and Mrs. E. N. Canady, corresponding secretary and publicity chairman, reported on all correspondence received and sent out since the October meeting.

Activities for the month include the social, sponsored by the Sodality from 12 to 3 p.m., Wednesday, December 11, in the Parish Hall and the monthly meeting and Christmas party, with exchange of gifts, at 1 p.m., Tuesday, December 17, in the Parish Hall.

Seminar on **Alcoholism** **Begins Today**

A seminar on Alcoholism is to begin on Thursday, December 6, at the St. Rose Gym, St. Augustine Seminary, at 8:00 p.m., according to an announcement made this week by Rev. Jerome LeDoux, Mr. Ashton Brisolara, Executive Director of the Greater New Orleans Commission on Alcoholism, will conduct the Seminar which will consist of a series of lectures to be given in two-hour sessions each week during forthcoming weeks. Rev. LeDoux noted that sessions will not be held on December 26 or January 2, due to the Holiday Season, but will continue on January 9.

Fully endorsed by Hancock County Sheriff Fred Curet, the programs will feature speakers from many fields engaged in the study of the nation's No. 3 Health Problem. These will include doctors, a psychologist, a sociologist, a minister, a member of Alcoholics Anonymous, a member of Al-Anon, and others.

Topics to be covered during the Seminar include History of Alcoholism, Physical Characteristics of Alcoholism, Personality Traits of Alcoholics, Psychological Aspects of Alcoholism, Moral Aspects of Alcoholism, Causes of Alcoholism, Family Problems Arising from Alcoholism, Alcoholism and Industry, and Treatment of Alcoholism.

The Seminar is open to the public, and according to Sheriff Curet, is in complete accord with the local program as envisioned by the Sheriff and his staff. The Sheriff indicated that he believes the Seminar will be of great benefit and service with its offer of knowledge and assistance in a growing community problem, both to community leaders and professional people, as well as the community at large.

DEBUTANTES PRESENTED at the 16th Commodores' Ball were gathered on the graceful stairway of Mr. and Mrs. J. Edgar Monroe, where they met for a pre-ball rehearsal and party before being presented at the Pass Christian Yacht Club.

RUMMAGE SALE

A rummage sale for the benefit of Dillmann Headstart Center will be held Friday from 1:30 to 5 p.m. and Saturday from 9 a.m. to 3 p.m. at St. Rose gymnasium, Necaise Avenue.

Mrs. Alfred Raboteau and Mrs. Joseph Labat are co-chairmen for the sale.

Rev. LeDoux points out that Mr. Brisolara is extremely well qualified to conduct the Seminar, having done an outstanding job in his work with the disease and its victims in the City of New Orleans in recent years.

MISS JESSIE M. FERRELL and SALESMAN JOHN GALLAGHER ARE SHOWN WITH MISS FERRELL'S NEW CAMARO.

I live in Bay St. Louis where I teach school. My family does business with Lamar-Lane and has been pleased with their service.

I have wanted a new Camaro since I first saw them. Mr. Gallagher helped me select the various items to customize my car.

I recommend Lamar-Lane Chevrolet to all of my friends. MISS JESSIE M. FERRELL (A GERRY LANE ENTERPRISE) Adv. Bay St. Louis.

Commodores' Ball Held **At P.C. Yacht Club**

Commodore Ray Gordon and Mrs. Gordon, of The Bay-Waveland Yacht Club joined the sixth annual festivity of the Pass Christian Yacht Club's Commodores' Ball, last Saturday night at 8:00 p.m.

Ten lovely young ladies were formally presented to Commodore George Morse and the visiting GCYC commodores and their wives.

The large central hall of the "birthplace of yachting in the

South" was transformed into a gleaming white background for a profusion of American Beauty Roses decorating the room and carried in bouquets by the young debutantes.

Miss Rebecca Kay Adams, daughter of Mr. and Mrs. Howard Adams of Bay St. Louis, was presented on the arm of her father, as were all the young ladies. Next came (Miss . . . Alford . . . etc. in alphabetical order as the program gives.)

A unique part of the ceremony was the return of four of the young ladies who had participated in the 1967 Commodores' Ball. (The prog. lists them in order, too.)

Immediately following the ceremony the guests enjoyed champagne and a delicious buffet on the East porch.

Dancing until 1:00 to the music of the Skyliners concluded the evening.

Employers Must Register Tax Commission

Mississippi Income Tax Law, which was amended last year, requires employers within the state to register with the Mississippi Tax Commission for identification purposes.

Beginning with the week of October 1, 1968, the State Tax Commission will require every em-

ployer in the state a packet containing the necessary application forms to be filled in order to obtain this identification number. The lack of cooperation, in completing and returning these forms, on the part of employers has become a matter of serious concern to officials of the State Tax Commission who urge that all employers complete this form (No. M-4ER, Employer Income Tax Withholding Registration Statement) and return it immediately in order to eliminate the possible accrual of penalties for failure to comply with the law.

Men in Viet for Christmas

Men would think it repellent to be sent a Christmas gift, but what thousands of men in Vietnam are waiting for is a letter from home.

USO conducts a survey to determine what men in Vietnam would like for Christmas. The survey is being conducted by the USO in Vietnam.

The local USO in Vietnam is now accepting letters from men in Vietnam. The letters should be addressed to the USO in Vietnam.

The USO also advises that United States postal authorities will no longer accept packages addressed to "A serviceman in Vietnam." However, where donors desire that USO distribute gifts to "Any Serviceman in Vietnam," gift packages should be addressed to USO Club Directors at specific APO or FPO addresses. All parcels bearing an outside label identifying the contents are acceptable, and will be distributed by the USO staff during the holidays.

This Christmas give Santa a helping hand. Let our servicemen in Vietnam know YOU CARE by sending a gift package through USO. These should be sent to the Director at any of the USO Clubs: USO ALOHA - GAM BAH BAY, 2nd Regiment Battalion, APO San Francisco 96377; USO AN KHE, APO San Francisco 96377; USO CAN THO, APO San Francisco 96213; USO CAM RANH BAY, APO San Francisco 96312; USO CHINA BEACH, Danang, FPO San Francisco 96398; USO CHU LAI, American Division APO San Francisco 96374; USO DI AN, APO San Francisco 96345; USO FREE DOM HILL, First Marine Division, Danang, FPO San Francisco 96602; USO LIBERTY CENTER, Danang, 368th Combat Support Group, Personnel Services, APO San Francisco 96337; USO NHA TRANG, APO San Francisco 96240; USO QUI NHON, c/o First Army Postal Unit, APO San Francisco 96238; USO Saigon, APO San Francisco 96243; USO TAN SON NHUT, APO San Francisco 96307; USO VUNG TAU, APO San Francisco 96891; USO 1 CORPS COORDINATOR Box 10, FPO San Francisco 96398.

Any kind of gift will be most appreciated, however, if they come previously wrapped individually it will be a blessing for staff of USO. For otherwise they personally feel that they must prepare an individual package in order to carry out the spirit of the holiday season.

For more information, contact the local USO in Vietnam.

Teen Times

Debbie and Earle have been having a great time lately. Is Judi's new flame a Paris import?

And the latest with J.V. has been great, and changing. Edgar Edgar and Wild Thing were over two weeks ago. She and Wade have been going together about two months.

Very special get well wishes to Charlie after being in a New Orleans Hospital. We had a terrific sound effect going in the Veterans day parade. It's the same one we've been hearing at pop-rallies too!

Gusie sure kept in step; not to mention sidewalk pushing!

Patty and Charles had a great weekend. So did Tom and Lynn.

Hey group, guess what! Billy is now up to three jumps per skip! We're still waiting for five.

Debbie and Mac are still a happy twosome. Sharon Monti has a great new look now.

Shirley and Lucky had a good time in Galport this weekend. How's the 32 Big Boy doing these days?

Tom McAuley gets lots of get well wishes after pulling some ligaments in his ankle. Linda and Clay have been having a terrific time together.

Louis was surprised after carrying a hand full of ice in class.

Jane has big bright eyes lately for a certain brown-eyed boy!

Doris is having a terrific time lately.

What's all this about Laura and peaches?

Jane has big bright eyes lately for a certain brown-eyed boy!

A black and white photograph of a large group of people, likely a choir or a group of students, standing in front of a brick wall. The image is heavily degraded with significant noise and artifacts, making it difficult to discern individual features. The group is arranged in several rows, and the background is a textured brick wall. The overall quality is poor, with a high level of contrast and a grainy appearance.

ADELIN (MRS. E.C.) SAMUEL hosted a tea for Friends of the Library at her Grosvenor Place home Tuesday. Purpose of the tea and several 'happenings' which will take place in the next few months, is to revitalize interest in our City-County Library and to help create a closer relationship between the library and those it serves.

NANCY McDONALD spent Thanksgiving in Mexico then weekend with former residents Carol and Don Prentiss in Kansas City.

WOMEN GOLFERS, headed by Fran (Mrs. John) Griffin, are busy planning for the women's state championship tournament to be held at Pass Christian Isles Golf Club in April. The girls are so 'gung ho' about checking all facilities upon the premises that we fear some male golfers are going to put certain restrictions upon their freedom of the buildings. Incidentally, the above release did not come from their publicity chairman, Joan (Mrs. Powell, Jr.) Glass!

EVELYN COX was determined not to let the birth of her fifth child interfere with her Thanksgiving dinner. She prepared and served the meal to Charlie and the children, then deciding that she hadn't better take time to wash dishes, sped to Gulfport Memorial where her third son David was promptly born. David boasts a head full of black hair and weighed in at six pounds, 14 ounces.

GET WELL wishes go to Leonie Monti who is a patient in Hancock General Hospital having suffered a fractured leg in a fall at her home Friday night.

Bon Georgi cooked two pork roasts and a turkey when she and Gorge had as Thursday dinner guests Jane and Bobby Bonvanni and Kate and Bill Scolo.

ANIMAL NOTES - Sara, the Waveland post office dog, gave birth to her little family. She produced three females and two males. If they're to be put up for adoption, we'll gladly mention the fact in this column when

SIGHTS AND SOUNDS - A solitary, black-clad beach walker, ignoring wind whipped rain battering his determined face; graceful wands of Spanish moss waving soggily on the chill, wet wind; a group of hikers marching staunchly, two-abreast as their leader brings up the rear, and the sound of their voices as they chatter merrily despite the chill wintry breeze.

Hunters are now in the gear for the closing and opening seasons along. There are rabbit, squirrel, quail, and woodcock seasons open now. Few sportsmen hunt woodcock. They are found in damp bays and in swamps. This bird is a little larger than a quail and delicious when it comes to eating. Woodcock can be hunted by being kicked up or with dogs. The dog points woodcock and are killed when flushed. It is excellent shooting.

BUCK COOPER is another of our local fishermen and hunters. He started as a boy and gets his share of game and fish. Being a sportsman, he knows his birds, too.

Given us by our local game warden Pat Toomey are the dates for hunting game and water fowl.

The end part of the dove season closed on December 1st and the next season opens on December 31st and runs through January 13th. This should be the best season from information gained.

The squirrel season is open and runs thru Jan. 11th. The same time applies to rabbit hunting, except the rabbit season closes on Jan. 17.

There is quite a length to the quail season it opened on Nov. 30th and runs through January 17th. What's better than hunting quail. Quail are plentiful this year.

Snipe season opens on Dec. 13th and is open thru January 31st. A lot of snipe are being killed. This bird is one of the hardest to hit. They rise straight up and level off. That's the time to shoot 'em, when they are leveling.

Ducks, Poule Deau (coots) season opens on December 17 closes Jan. 15th. According to information duck hunting this year will be rather bad. There are few ducks now, if any.

The 1st season on Geese closed on November 30th. The next season will open on December 17th and run through January 13th. Quite a few geese have been killed.

Regarding the hunting of deer the 1st season closed on Sunday, Dec. 1st, and will open again on Dec. 17 and run thru January 11th. Advice from Pat Toomey, Game Warden, there were 81 deer killed in Hancock County in the 1st season. The largest killed by Oris Ladner, Jr., weighed 310 pounds.

Rabbit and squirrel hunting has been good. Some nice kills have been reported with quite some time to go. A dish of stewed rabbit or squirrel hits the spot. Our woods are full

Game wardens are pretty good guys, but they have a job to do. Do yours and obey all hunting and fishing laws. It's a matter in the long run.

As reported by Ray Runnels of McGee, Miss., there are a lot of squirrels, doves and quail in that part of the state. Ray runs a service station with his wife. When not on the job he's in the woods.

Major Billy Coffee and two sons, Billy and Bobby are natural born hunters. The Major when not participating in this sport, shoots golf, but you can't eat golf balls, Billy.

Luke Elliott and two of his buddies made a goose hunt over the Thanksgiving holidays. Don't know just what they got.

Bob Glasel of Waveland loves his fishing, hunting and golfing. You have plenty of all three here, Buddy.

See where Cat Island is considered as the most important of the Mississippi offshore islands according to a National Park Service official. Cat Island is adaptable by elevation and resources to the development of permanent visitor facilities.

We can vouch for Cat Island being one of the best floundering and soft crabbing spots on the coast.

Met Whitely Nelson in Jackson over the weekend. Whitely is not much of a fisherman or hunter but loves to bowl and watch football. He is the son-in-law of Pops Seuzeneau and former resident.

The Fair Grounds opened for a long stretch on Thanksgiving Day in New Orleans. There are a number of racing fans in our midst as well as a few thoroughbred race horses. Don't hear much of the owners and trainers, but they are here. A good tip would help, fellows.

Among students home for the holidays were John Genin, John Scafield and Ree Elliott. You can bet your boots they enjoyed fishing, hunting and golfing while here.

The fish had a rest for a few days. Al Mercier spent the holidays in Jackson with his folks. No fishing, no nothing, just a good time, said Al.

One guy said: Love is a lot of damn foolishness.

Reports come in that speckles are being caught in Wolf River and vicinity. Boats can be secured at Merle Necaise Fishing Camp at Bayou De Lisle. Another good place to catch red fish and speckles is at Grassy Point on the other side of the Bay.

Flounders are still being caught on hook and line and by spearing. Upper Campbell's Bayou is an ideal place for spearing flounders at this time of the year. Boats can be rented from La France's Camp at Anseley.

Just a reminder: Don't go hunting and fishing without a hunting and fishing license.

Hancock Library Receives Kit On Heart Diseases

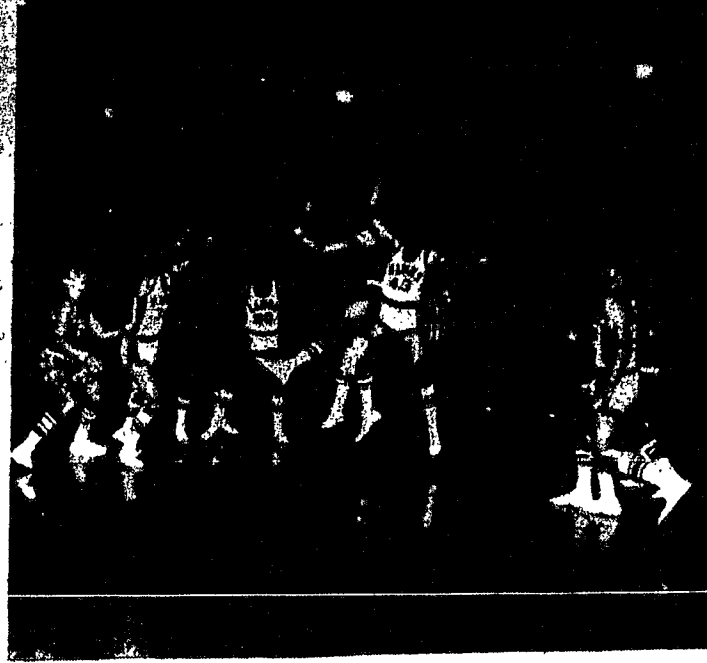

Complete and up to date information on diseases of the heart and circulatory system is now available in a kit delivered this week to the Hancock County Library, according to Miss Alma Parker, Public Health Education Chairman, Hancock County Heart Association.

Part of the program on Public Health Education conducted by the Mississippi Heart Association and material in the kit is designed to familiarize the reader with the problems related to diseases of the heart and circulatory system which now claim the lives of more than a million Americans annually. Booklets and pamphlets in the kit define heart diseases in terms easily understood by the layman. Heart attack, stroke, rheumatic fever, high blood pressure and congenital heart defects are but a few of the subjects covered. Also included are large diagrams of the heart and circulatory system.

Miss Alma Parker said, "Students will find this material of great value in the preparation of essays and reports, and in work on science fair projects." Miss Parker stated

that the information in the kit should be of particular interest to families of heart disease victims.

The work of the Mississippi Heart Association is financed by contributions to the February Heart Fund Campaign, and by gifts as memorials to victims of heart disease.
